Job description[Edit](#)

Brewer (Assistant/Lead)

Angry Scotsman is looking to expand their brewing crew.

Responsibilities include:

- Brewing operations on the main and pilot brewhouses alongside the head brewer
- Small batch special release program
- Cold-side activity including monitoring fermentation, dry-hopping, & tank transfers
- Inventory control of raw materials and finished goods
- Performing routine product packaging tasks including kegging and canning
- Sensory quality control of final product
- Cleaning cellar tanks and kegs
- General housekeeping and cleaning duties
- Promoting the brand/pouring beer at events and festivals

The ideal candidate will be expected to have:

- Minimum two years of professional brewing experience
- Proven track record of consistency across beer recipes
- A solid understanding of craft beer and different beer styles
- Flexibility in work schedule to include occasional evenings and weekends for events
- Ability to lift and carry a 55lb load up a flight of stairs
- Ability to maneuver a 160lb keg of beer
- Attention to detail for following standard operating procedures
- A professional demeanor and appearance whenever representing brand
- Ability to work independently
- Ability to stand/work on your feet for 8hrs in a hot and humid environment (brewery is not air-conditioned)
- Experience with barrel aging and/or sour beers (preferred)
- Forklift driving experience (preferred)

A competitive compensation plan commensurate with experience is offered.

COVID-19 precautions

- Personal protective equipment provided or required
- Temperature screenings
- Social distancing guidelines in place
- Sanitizing, disinfecting, or cleaning procedures in place
